Church News

In this week’s In Accord, Jim Franks discusses the food shortages taking place in Zimbabwe (and to a lesser degree in Zambia and Malawi) and how you can help. The Church is currently providing emergency assistance to the members in Zimbabwe and is prepared to help in the other countries as well. This shortage is due to back-to-back years of below average rainfall. So far, all our members are being cared for, but the situation will probably get worse before it gets better. Zimbabwe is requesting assistance from the U.S. to make up for the anticipated shortfall in the maize crop, which is due to be harvested in the spring. In addition to letting everyone know about this problem and how you can help, Mr. Franks provides a general update on the work of the Church. View at http://members.cogwa.org/news/in-accord/

The February issue of One Accord is now available. In this issue: learn all about this year’s FOI volunteers in Jordan and FOI’s new Leadership Fellowship program; get to know one of our new pastors in our new column “Meet the Minister”; and much more!
