Isaiah 35:5-6  Then the eyes of the blind shall be opened, And the ears of the deaf shall be unstopped. Then the lame shall leap like a deer, And the tongue of the dumb sing. For waters shall burst forth in the wilderness, And streams in the desert.

Last night, October 20, at 8pm, Gary Black was the presenter for the Friday Night Live bible study. His topic was “Church History - How Did Christianity Get So Off Track?”

Is what you believe really the truth? If so, how can many modern Christian beliefs be so wrong? Don’t all Christians get their beliefs from the Bible? In the first few centuries after Christ and the apostles, major doctrinal concepts were debated and decided. In this Friday Night Live, we talk about how some of these doctrinal decisions were made and why they are so different from what the Bible really teaches. This will help you solidify your faith and better appreciate the value of the truths God has revealed to us.
